Your complete guide to this issue's BONUS VIDEOS

This issue comes with 9 full-length bonus videos: There are three XXX scenes with jizz-hungry newbs and six solo sluts. After you're finished jacking off to your favorite cutie in this magazine, head online and watch other stunning amateur babes cum in HD.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them in your home or on the go! No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take *Naughty Neighbors* anywhere you go.

Here are the highlights of this issue's bonus scenes.

Britt James is curvy and sensual. You're going to love her natural DD-cup boobs and thick ass. She's feisty as hell, too, and a trained martial artist. Her body is ridiculously sexy.

Evelyn is from a small town. She decided to shake up her life and spread her cunt in front of our camera. This shorthaired brunette is a 20-year-old firecracker.

Jade Baker has a nice pair of tits. That's probably an understatement. She has a jaw-dropping rack perkier than a morning cup of coffee. The 21-year-old raven-haired grad student's body is a work of art.

Sophia is young, blonde and horny. She gets with her boyfriend and 69s before the main event. After a good pussy drilling in a ton of positions, she drops to her knees and gets a faceful of hot cum.

Vanna is a skinny teen with braces. She is at home and wants to cum, so she does a striptease until every inch of her tight young body is exposed. Then she finger fucks herself hard and fast until she finishes.

Kennedy likes "boring sex." That's what she told us, at least. But it doesn't look like it when the blonde from Oregon starts deepthroating and creaming on our stud's rod.

Karla is an actress who loves porn. She's a beautiful theater lover who has a smile that could melt an iceberg. She has a great pair of legs, too, and when she spreads them, you'll see a small bush that she recently grew.

Alina is an Asian cowgirl. She's riding our big-dicked stud like a bucking bronco and cumming all over his shaft. This petite cutie is a great lay.

Tiny Lolli gets a dick in the ass. We're underselling this scene. First of all, she's beyond tiny. She's well under 100 pounds. Secondly, the cock she's fucking is humongous. Third, she's never even stuck a finger in her butt. Watch her lose her backdoor virginity.

Macy

Greenville, South Carolina

Meet Macy, a 24-year-old girl who loves skateboarding, swimming and playing with cum. "I have a total cum obsession," Macy told us. "I love sucking dick and swallowing. There's nothing like feeling a cock pulse in my throat. I love it when guys pull their dicks out of my pussy and spray my tummy with their jizz. I even enjoy getting facials, which I know a lot of girls hate."

In addition to her love for using her body as a canvas for cum, Macy is also quite talented at handling tools. "I'm a DIYer. I love doing projects around the house. I'm actually a pretty talented welder. I love fixing things a lot. Maybe someday I'll have a job where I can use my welding skills. I have a car I've been restoring for a couple of years. It's still in rough condition, but I can't wait until it's showroom ready. It's my baby."

"I've only shaved my pussy all the way a couple of times. It was always because a guy requested it. It's fine, but I prefer to have some hair down there. Even if it's just a landing strip or shaved into a heart, I think it looks nicer."

Emma is so young and pretty, we put the 18-year-old on last issue's cover. The pictures of her are enough to make poon-hounds jizz in their pants. Cecelia

Las Vegas, Nevada

Cecelia originally hails from Wisconsin, but she felt stifled there, so she packed up her bags and moved to Sin City. In Las Vegas, she enjoys skateboarding, watching hockey, creating art and going to concerts. That's all pretty normal fare for a 19-year-old girl. "I'm your average teenager," she told us, but we had our doubts.

As we spoke to Cecelia longer, our suspicions were confirmed. She's no ordinary girl. "You never know when you're going to need easy access, so I prefer crotchless panties," she explained. "I started wearing them when I got my first long-term boyfriend. We would fuck anywhere, any time. I eventually stopped wearing panties altogether, but I like the way I look in underwear, so now I opt for the crotchless ones."

Cecelia's fashion show.

"When I'm feeling super horny, I dress like a slut. I'm talking about short skirts without panties, tight shirts with no bra so you can see my nipples, and tall fuck-me heels. I love the attention I get when I'm dressed like that."

In addition to keeping her pussy ready for action at all times, Cecelia enjoys sex on the hardcore side. "I'm interested in BDSM. I'm just getting into it, and it really turns me on. I really like when guys tie me up and make me cum while I'm resisting. It makes the orgasms so much more intense and fun. I can squirt a little bit if I'm strapped down while cumming."

"Who wants to be interviewed next?"

Where the hell is the video footage?

While reporting on the reopening of swingers club Swingland outside of Copenhagen, a 26-year-old reporter made the decision to fully invest herself in the story. Louise Fischer, 26, was recording interviews with patrons and management for Danish national radio when inspiration struck. She should participate in the sex. When she stripped down, she saw an immediate response. Louise reported that previously uptight interviewees were calmed by her nudity. But her participation didn't stop at exhibitionism. Louise told Danish Tabloid BT, "It's a big bed in the middle of a room, they invite me up in. They want to show me what to do in a swingers club. Then, they start touching my body." At that point in the report, three men begin to kiss and have sex with Louise. And although Louise didn't initially plan on releasing audio tapes that recorded her wet pussy getting fucked and her ass jiggling from an intense-sounding pounding, that's what happened. Always a professional, Louise continued her interviews while engaging in a rather distracting act. "Are you excited to be back in a swingers club?" she asked one guy. "Yes…it's something we've been waiting for a long time…because we're good friends and we have good sex." At that point, another man began to fuck Louise. As far as we know, there isn't any video footage of this exceptional journalism, but we'll keep our eyes out for some.

UNBREAKABLE SEX RECORDS

Some world records are so impressive, so extraordinary, it's unlikely that they'll be broken any time soon. The sexual acts of stamina and perseverance that follow show some of the finest acts of horniness ever displayed.

That's a well-used hole!

-Most sexual partners in one day.
On October 16, 2004, in Warsaw, Poland, Lisa Sparks set a world record for having sex with 919 men in just 12 hours.

-The oldest twin prostitutes.
After over 50 years in the business, twin sisters Louise and Martine Fokkens, 70, announced their retirement in 2022. They claim to have slept with over 355,000 men before arthritis and other issues recently slowed them down.

It's a sister act.

-Most orgasms in an hour.
A woman undergoing research for the Center for Marital and Sexual Studies in Long Beach, California experienced 134 orgasms in 60 minutes. A man also participated in the study but only achieved 16.

She must be exhausted.

Jade

Nashville, Tennessee

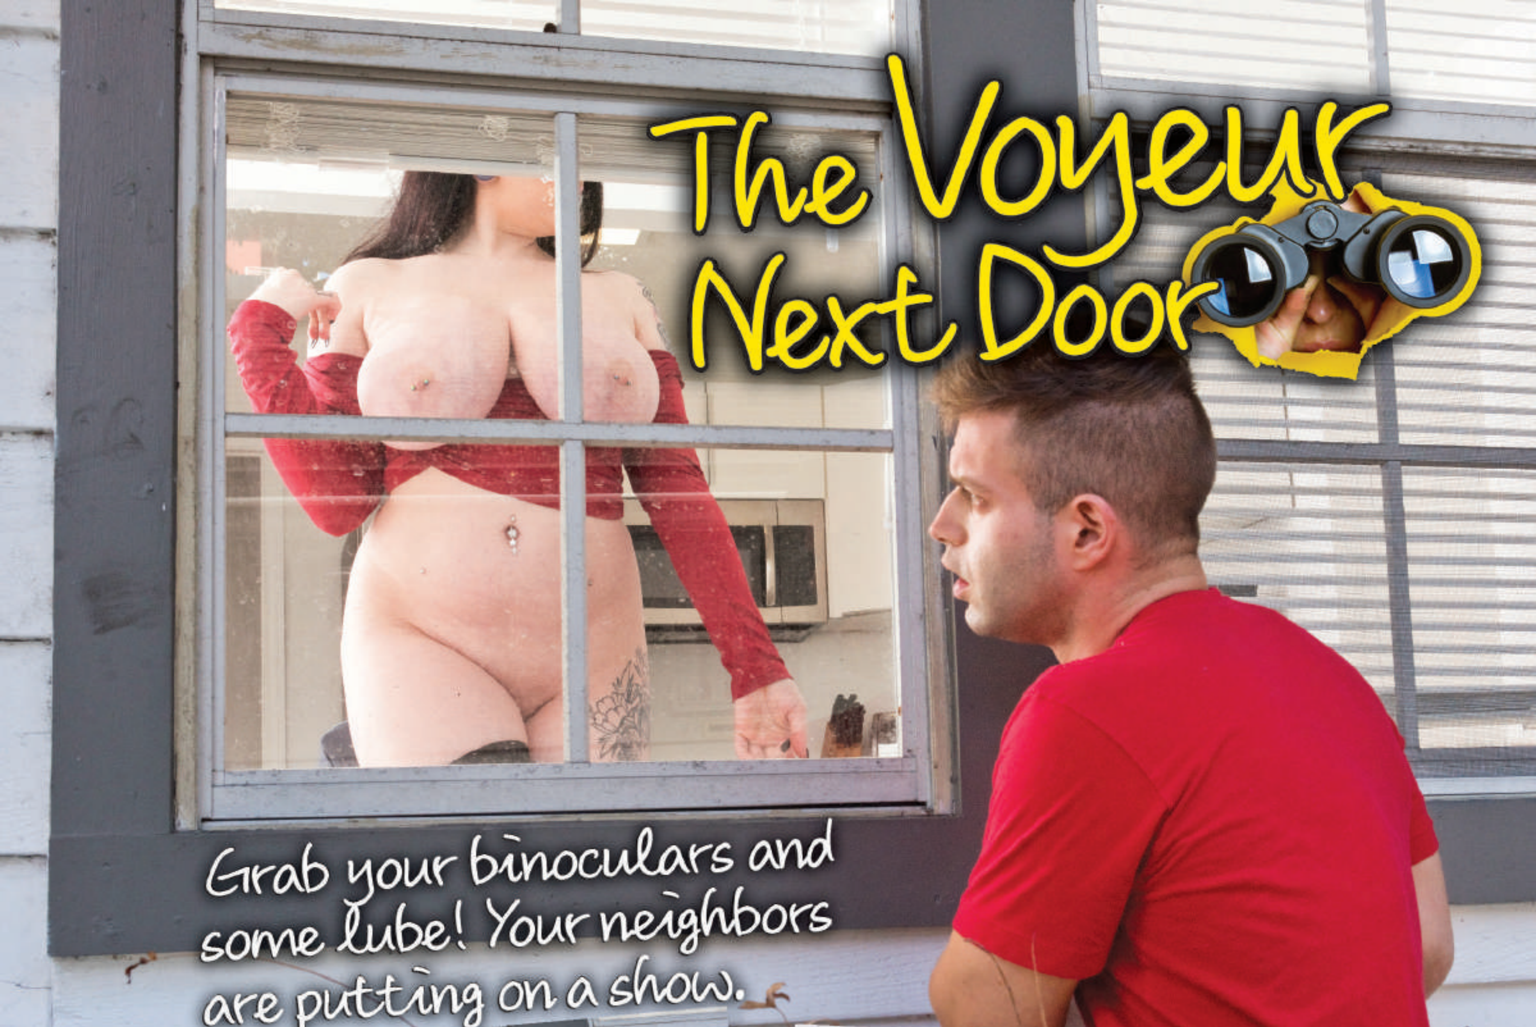
Grad students are under quite a lot of pressure. So it's no wonder Jade needs to let off some steam. "Nothing relieves stress quite like sex," Jade told us. "So I try to fuck whenever I have the time. I don't have room in my schedule for a boyfriend at the moment, so I figured giving you guys a call would be a good idea. Fucking a porn guy will at least give my friends-with-benefits a break. I tend to wear them out."

We asked Jade to talk about her kinks. "I like anal a lot, and the porn I watch has to do with submission or domination. I'm what you call a switch. Sometimes I'm submissive, and other times I like to call the shots. I don't watch a ton of porn, though. I think my imagination is much better at giving me what I want than a camera. My mind tends to get really dirty."

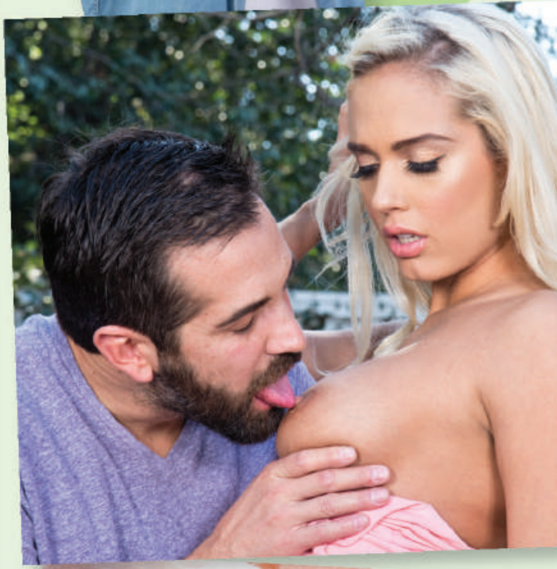
Read, sit and cum.

"One time, a guy tied me up and made me sit on a high-powered toy while reading an erotic story. He told me to hold off cumming as long as possible. When I finally exploded, I think I came eight times in a row. It was perfect."

The Voyeur Next Door



Grab your binoculars and some lube! Your neighbors are putting on a show.



Welcome to the naughty neighborhood, where all of the inhabitants love putting on a show. That's why you moved in, right? If you find something you like, feel free to make yourself known to our local exhibitionists. They won't mind. In fact, they'll start fucking even harder. Nyx Monroe, the busty and lusty next-door sexpot you see on the left might even invite you inside for a quickie. Athena Palomino, right, got caught blowing and riding her guy outdoors. Time to cover up and yell at the peeper, right? Not in our neighborhood!

If you get off on not being seen, there's plenty to ogle from afar on our nude beaches. Pull up a beach chair, a cooler and your telephoto lens. You'll see lithe young women dropping their bikinis to soak up the rays. If you're lucky, you might find a public masturbation show. This young lady was thinking ahead. She brought a dildo for a sandy slit session. Every voyeur knows that sometimes you have to wait to get the best shots. When an innocent young nudist rolls over while sunning herself on a blanket, you might get lucky enough to catch a glimpse of her sweet pink pussy meat. The shot to the right might be the luckiest peep shot ever.

If you find an open door in our neighborhood, feel free to take a peek inside. You might find all sorts of dirty deeds going on. Sneak behind a plant and you might see a brunette like Emily fooling around with her horny boyfriend. Or, behind an ajar door, you could see something really salacious, like teenaged blonde Allie going for a sit-and-spin ride on her dad's best friend. After a while, she'll probably discover you, but she won't care. The fucking is too good.

Emma's Submission Photos!

Emma and her hubby responded to one of our models-wanted ads. Here are her behind-the-scenes model submission photos for you to enjoy. We loved how intimate and casual they are, so we figured you would, too. If your wife wants to become a Naughty Neighbor, reach out to model@scoregroup.com.

Emma

Orlando, Florida

Emma doesn't want to share what she does for a living because she doesn't want her coworkers to find out that she likes fucking big dicks on camera. Fair enough. But that got us thinking–she doesn't mind her husband finding out? "Not at all," Emma assured us. "He knows that I love fucking. He's really special and supportive. He totally signed off on me shooting porn with you guys."

We asked Emma if the reason she seeks cock outside of her marriage is that something is lacking at home. "That couldn't be further from the truth! My husband and I have the most amazing sex. We just keep getting better and better. But, like ice cream, sometimes you just crave something other than your favorite. I love experiencing the whole rainbow of cocks and cum flavor."

Emma told us that she doesn't have a favorite sexual position. "Sometimes it's when the guy bends me over a couch or something and nails me doggie-style. Other times, it's cowgirl so I can control the speed. One of the craziest fucks I ever had was with a really fit guy who picked me up and fucked me in the air. Ultimately, I love any session that has a big finish."

Pull, twist and stroke.

"I have big boobs, so I obviously love having them played with. When I'm turned on, I can handle my nips being twisted and pulled. Otherwise, my upper thighs are the most sensitive and arousing part of my body."

Desiree

Orlando, Florida

Desiree and her husband are separated, and now this MILF sexpot is going wild. "Submitting my pics to you guys is just the next step in my sexual evolution. I'm a swinger. It started five years ago at a couples resort. My husband dragged me there thinking it would spice up our marriage. Oops."

"That time at the resort was my first time with multiple partners. We had six pairs of people engaged in an orgy. It was amazing. At one point, I was servicing three men. They called it an 'airlock.' That's where I was getting DPd and having my face fucked at the same time. That's definitely the most-wild thing I've ever done."

"I strive to look classy and professional, but I also have a dirty, horny, wild, fun side that you can see in these pictures. I hide that side from most people in my life. But now that I'm dating, I'm letting it show a little more often. Now, I'll have sex on a first date. If there's major chemistry, and I know the date won't lead to a relationship, then hell yes! I'm going to go all out."

Want to date Desiree?

"I like getting hit on. But some guys are bad at it. Come up and talk to me and just be real. A girl can tell if you're full of it. If we are dating, treat me with respect. Call me, ask me out on dates. I like to be treated ike a lady."

BONEHEAD SEX SCADALS

Jerry Springer

He's best known for his daytime TV show, but Jerry Springer used to have a political career and seemed destined for bigger things. He also seemingly liked professional companionship. In 1974, while sitting on the Cincinatti, Ohio city council, Jerry allegedly patronized sex workers. If this had been revealed on his TV show, one might expect someone to hurl a folding chair through the air upon hearing this news. After a VICE investigation and subsequent press release told the citizens of Cincinatti about his personal affairs, Jerry resigned from the council and lost out on a bid to become the city's next mayor. Had he not cheated on his wife by frequenting prostitutes, he might have become the youngest big-city mayor in the country. But what ultimately makes Jerry's mistake a boneheaded move is that he paid for his dalliances with personal checks. Is that what caused the VICE investigation in the first place? We don't know. But we do

Tiger Woods

In the world of professional golf, there is no bigger name than Tiger Woods. In the world of boneheaded sex romps that lead to huge monetary losses, same. What you might have missed in the scandal that brought the golf god to his knees in 2009 is how much money was lost. First, brands that Tiger represented lost around 12 billion dollars in the two weeks following the news of his scandal. Then, there was the divorce from then-wife Elin Nordegren, who received around $100-110 million. She also received monthly child support that came to around $20,000. Was it worth it? Who can say? Tiger was reportedly having sleep-overs with up to 10 prostitutes at a time. Some say Tiger admitted to sleeping with over 120 women while married. They weren't all working girls. Some of the women who came forward were waitresses, models, nightclub staff and porn stars. But the most boneheaded blunder might be that a tabloid's investigative team caught Tiger because he was allegedly boinking a waitress at Perkins Restaurant and Bakery, a chain diner that serves

Vicky

Moscow, Russia

Picture this. It's Sunday morning and you wake up next to ivory-skinned Vicky. You don't have anything to do all day, so you decide to stay in bed. Vicky slowly awakens from a naughty dream. She stretches her lithe body, caressing her soft figure and moaning a bit. When she notices you watching, she lifts her tank top to show off her perky tits and bright pink nips. It's going to be a very good day.

Sahara

San Francisco, California

Sahara is bustier and curvier than a lot of the girls we put in our magazine. That's perfect. We always strive to have a diverse group of horny amateurs. "I started to develop when I was really young," Sahara told us. "Guys have always complimented me on my chest, hips and ass. It's a mood booster every time I hear it, too. I love getting attention because of my appearance."

PDF NEWSPAPERS and MAGAZINES: WWW.XSAVA.XYZ & WWW.SPICYMAGS.XYZ

We asked Sahara to tell us about herself. "I'm a baseball fan. I love going to see Giants games. I like doing yoga, jogging and hanging out at the beach." That's nice, but we wanted to know more about her sex life. We asked her to share some sexy details. "Well, I've had a bunch of threesomes. They are so much fun. My favorite part of sex is oral, both giving and receiving. So getting my pussy licked while sucking cock is pretty much the best thing ever."

Pleasing daddy's friend.

"I like doing things that I know I shouldn't do. The kinkiest thing I ever did was let my dad's best friend fuck me up the ass. It was so wrong and so fucking good. It's wild how the naughty, forbidden thing is always the hottest."

Lulu

Tulsa, Oklahoma

Lulu may be a petite girl, but that doesn't mean she wants you to be gentle. "Hands down, doggie-style satisfies me the most," she told us. "Guys just get in so much deeper that way, and it's more intense. When I'm getting fucked, I like it to be alternately really fast and really slow. But either way, really hard. I don't like any of that easy, slow sex."

"Clit play is incredibly important to me," Lulu informed us. "But I don't like soft rubbing. I want it played with roughly. When I first hook up with a guy, I have to teach them that they can grind their tongue and lips on my clit. Other girls find that too intense, apparently. I don't know what that means. Like, can you have too much of a good thing? That's kinda why I got my nips pierced. I like having my nips played with, and now that they're pierced, the sensitivity is crazy."

"One time, I went to a guy's house and we hung out for a bit and then he bound me with a leather strap that cuffed my wrists together and to my ankles. So I was hogtied. He also used a really small butt plug when he fucked me. I loved being tied up and fucked hard like that. We both came several times. I think he was on Viagra because he would cum and then keep going. I liked that a lot."

Can you handle the load?

“On average, I probably have sex just one or two times a day. I wish it were steadily two or more times a day, but that just doesn’t always work out. When I can’t get any cock, I’ll just put on porn and make myself cum.”

breakfast, in his neighborhood. He was rolling in dough and at the top of his game, but he was brought down by an appetite for sweet treats down the street.

Anthony Weiner

With a name like Weiner and a career in politics, one would assume a man would be careful about whom he showed his…ahem…staff member to. But Anthony Weiner, former member of the United States House of Representatives from New York City acted like a bonehead. Although he is now known for several sex scandals, one of which landed him in the clink, the first one was what plunged him from success to disgrace. As a congressman, Weiner used Twitter as a dating app to communicate with women he found attractive. Where's the harm in that? Well, Weiner also sent dick pics. When the first one was released, Anthony denied the accusation. The picture simply depicted, as the Pittsburgh Post-Gazette described it, an "erection barely covered by a man's underwear." So it couldn't possibly be traced back to Weiner, except Anthony used his own personal Twitter account to send it. What a bonehead! He resigned from politics for a short time before attempting a

comeback. Unfortunately for him, he only learned half of a lesson. He was caught up in another dick-pic scandal. The second time, he used the alias Carlos Danger on Twitter.

James Cameron

James Cameron is the second highest grossing film director of all time. He is also the first director to have three movies that grossed over 1.5 billion dollars at the box office. Even though that money doesn't all belong to him, it's fair to say that he's rich and successful. And he has been for a long time. Right after he made Titanic in 1997, a movie of epic proportions and even more epic financial returns (it was the highest grossing film ever made until Cameron released Avatar in 2009), James divorced his wife of less than a year and a half, Linda Hamilton. Linda, best known for playing Sarah Connor in Cameron's Terminator franchise, received a 50 million dollar divorce settlement. She's a successful actress in her own right, and we imagine she's very well paid, but getting $2,941,176.47 for each month she was married to Cameron was a very nice pay day. Ⓝ

Wives everywhere wish they had this prenup.

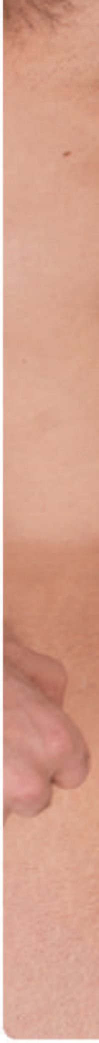
Juliette

Louisville, Kentucky

We introduced you guys to Juliette in our last issue. She's an innocent-looking newcomer who is simultaneously a shy and proper girl who played volleyball and ran cross country in high school and a slut who loves having her young slit pounded. In other words, she's perfect.

"I don't sleep with guys on the first date," Juliette told us. "Even if I really want to. I know that if I do fuck a guy, he's going to think that I'm easy and probably not call me back. It's so dumb. Guys want to fuck all the time, but they don't like girls who do. That's why I figured I would give you guys a call. A porn stud is like a one-night stand with a huge cock and great timing."



2003

"I really want to be more of an exhibitionist, but I'm afraid of getting busted," Juliette shared. "I've had sex in the woods and the backs of cars before, but that's not really public. I have a fantasy about going to Mardi Gras and having a gangbang right on Bourbon Street someday with people cheering me on and throwing beads on me as a bunch of guys fuck me silly."

Juliette likes them all.

"I'm a fan of big cocks, but I don't think a guy needs one to be good in bed. Anything around or over five inches is enough. You don't even need that if you're good enough with your hands and tongue. A big one is just icing on the cake."
